WHAT IS BQSUIE?

An end-to-end solution for Bible quizzers and their parents/coaches

BQSuite is a suite of tools to help quizzers learn verses, quote material, improve verse referencing, and track progress throughout the quiz season. BQLearn helps quizzers memorize verses and practice verse beginnings, verse endings, cross reference phrases, and 1x, 2x, and 3x words. For Junior quizzers, practice over question words to improve interruption skills. For senior quizzers, study pronoun identifications and 4x words. Quizzers are able to practice and play games over recently missed material. Parents and coaches are able to monitor quizzers progress, assign study material, set quizzers goals, quote quizzers, keep score, look up quiz material, and print weekly and monthly progress and goals. At quiz practice, play the group game BQBattle together.
