

Phylogenetic tree showing relationships between 18S rDNA sequences from various churches. The tree is rooted at the top left and branches out to the right. The groups are color-coded: purple for 'Church of the Pentecostals', green for 'Church of the Nazarenes', and blue for 'Church of Christ'. The tree is labeled with church names and their corresponding sequence IDs (e.g., A Q1, B Q4, C Q12). The tree is rooted at the top left with FPC Jackson MS 1 - 65. The tree shows a clear separation between the three church groups, with the Church of the Pentecostals forming a distinct cluster, the Church of the Nazarenes forming another, and the Church of Christ forming a third. The tree is labeled with church names and their corresponding sequence IDs (e.g., A Q1, B Q4, C Q12). The tree is rooted at the top left with FPC Jackson MS 1 - 65.
